would cause the Organization to lose its tax-exempt status.

Management has considered its tax positions and believes that all of the positions taken in its federal and state exempt organization tax returns are more likely than not to be sustained upon examination. The Organization's returns are subject to examination by federal and state taxing authorities, generally for three years and four years, respectively, after they are filed.

The Organization recognizes interest and penalties related to unrecognized tax benefits in management and general expenses and accrued expenses in the accompanying financial statements. During the year ended December 31, 2020 and 2019, the Organization did not recognize any interest and penalties.

community post incarceration. We follow a "Housing First" approach, which recognizes that people experiencing homelessness-like all people-need the safety and stability of a home in order to best address challenges and pursue opportunities. We start by housing people directly from the streets, without preconditions. Then we address their underlying issues around mental health, addiction, medical care, income, and education to help integrate and welcome them back into our community.

OPCS currently offers the entire continuum of housing models which include bridge, shelter, transitional and permanent housing as well as substance abuse counseling and life skills for both veteran and non-veteran clients.

specific criteria to be eligible for these programs. The OPCS Community Home Fund helps pay for their occupancy cost until they gain income through employment, Social Security, or other sources. The fund pays for rental application fees and deposits for clients moving into Section 8 housing. It also covers specific, emergent needs to remove barriers to housing and employment. In addition, the fund helps meet the basic needs of families with children entering our programs. Last year, we disbursed \$40,267 in assistance to clients. The Home Fund is made possible by community grants and individual donations via the Arizona Charitable Tax Credit.

City of Tucson CARES Program (CoT Cares): OPCS was awarded a contract to operate the City of Tucson Cares Homeless Program, in partnership with Community Bridges International, Pima County Sullivan Jackson Employment Center, City of Tucson Housing and Development Department, Catholic Community Services, El Rio Healthcare, and Primavera Foundation. OPCS was the lead agency managing the operations of 200 hotel beds to keep homeless individuals at high risk for COVID-19 safe. In addition, participants were provided with case management and supportive services with the goal of transitioning them into permanent housing. A total of 731 individuals were served during a 14-month period. We are happy to report that 411 individuals in 293 households were able to find permanent, safe, and stable housing. Throughout the duration of the COT Cares program, we only had 11 individuals testing positive for COVID-19. OPCS was able to successfully prevent a COVID outbreak at the hotel by having safety protocols in place, ensuring clients were following our safety protocols, and working with community partners. Furthermore, we were able to refer our own high-risk shelter residents to the hotel, reducing our shelter programs to one person per

bedroom. The COT Cares program has demonstrated how 'Housing First' practices can move persons from the streets into housing.

Pima County Housing First Program (PCHF): Two years ago, OPCS launched this program in partnership with Pima County and the City of Tucson with the goal of reducing recidivism and homelessness among the justice-involved population. The program provides "bridge housing" and permanent supportive housing to homeless individuals who have had several encounters with the criminal justice system. Individuals also receive appropriate social services support including substance abuse treatment, mental health services, and employment coaching.

Participants are referred to program by the Pima County Jail, Public Defenders Office, and Adult Probation. To date, we assisted 352 people and successfully house 189 households. In addition, several participants have exited the program once they achieved income/employment stability. Without housing this would not have been possible. Further, PCHF has welcomed 8 newborns and several DCS-involved parents have successfully reunified with their children after obtaining housing and support services.
