Form 990, Part III, Line 1, Description of Organization Mission:

community post incarceration. We follow a "Housing First" approach,  
which recognizes that people experiencing homelessness-like all  
people-need the safety and stability of a home in order to best address  
challenges and pursue opportunities. We start by housing people  
directly from the streets, without preconditions. Then we address their  
underlying issues around mental health, addiction, medical care,  
income, and education to help integrate and welcome them back into our  
community.

OPCS currently offers the entire continuum of housing models which  
include bridge, shelter, transitional and permanent housing as well as  
substance abuse counseling and life skills for both veteran and  
non-veteran clients.

units in our Supportive Housing Program.

**Bread & Roses - Affirming Transitional Shelter:** Bread and Roses is the first crisis transitional shelter in Pima County for homeless LGBTQ+ youth. Homeless youth that identify as LGBTQ+ frequently have difficulty finding shelters where they feel protected and respected. Bread and Roses offers a safe, inclusive, and affirming space for LGBTQ+ youth, ages 18 to 24. The program aims to provide these youth the support needed at every step, so they can permanently leave the streets, secure stable housing, and build self-sufficient, fulfilling lives. In 2023, the program served approximately 22 youth, 12 of which successfully exited to permanent housing.

**Homeless Work Program:** The Tucson Homeless Work Program was launched in December 2016. The goal of this program is to employ persons who are chronically homeless and connect them with housing, health services, job training, and permanent employment. This includes daily casual labor employment of homeless individuals residing in shelter and unsheltered, with daily cash payment for the work. To date, over 2,000 people have participated in the program, with more than 35% entering and gaining permanent housing and more than 35% entering employment services. Most notably, over 900,000 pounds of trash and waste cleared, with more than 500 sites and 600 miles of roadway cleaned. The Tucson Homeless Work Program is a partnership between OPCS, other nonprofits, government agencies, and the homeless community.

**OPCS Home Fund:** While some OPCS government funded programs cover all or part of a client's housing fees, some clients do not meet the specific criteria to be eligible for these programs. The OPCS Home Fund helps pay for their occupancy cost until they gain income through employment, Social Security, or other sources. The fund pays for rental application

fees and deposits for clients moving into Section 8 housing. It also covers specific, emergent needs to remove barriers to housing and employment. In addition, the fund helps meet the basic needs of families with children entering our programs. Last year, the fund assisted close to 300 households. The Home Fund is made possible by community grants and individual donations via the Arizona Charitable Tax Credit.

Pima County Housing First Program (PCHF):

OPCS launched this program in 2019 in partnership with Pima County with the goal of reducing recidivism and homelessness among the justice-involved population. The program provides "bridge housing" and permanent supportive housing to homeless individuals who have had several encounters with the criminal justice system. Individuals also receive appropriate social services support including substance abuse treatment, mental health services, and employment coaching.

Participants are referred to the program by the Pima County Jail, Public Defenders Office, and Adult Probation. To date, we have assisted over 500 people and successfully housed 250+ households. In addition, several participants have exited the program once they achieved income/employment stability. Without housing this would not have been possible.

To ensure consistency throughout the Agency and to maintain competitive position with peer employers, Old Pueblo Community Services retained an outside company to perform salary reviews on all staff positions. Minimum, midpoint, and maximum wage and salary levels are set for each position.
